In re Application of
Kimmo NARKILAHTI, et al.
Application No. 10/018,502
Filed: October 30, 2001
For: **METHOD AND SYSTEM FOR
DETERMINING OF OPERATING MODELS
OF USERS OF A TELECOMMUNICATION
SYSTEM**

DECISION ON PETITION

This is a decision on the Petition to Withdraw Holding of Abandonment filed April 15, 2005 pursuant to 37 C.F.R. § 1.181(a).

The application was held abandoned for failure to respond in a timely manner and effective manner to the Office action mailed August 26, 2004. A Notice of Abandonment was mailed March 14, 2005.

Petitioner alleges to have timely filed a response to said Office action on February 28, 2005. In support thereof, Petitioner provided evidence in the way of a copy of the response filed February 28, 2005. The petition also includes a date stamped post card receipt itemizing the receipt of an amendment on February 28, 2005.

A review of the file records reveals that the original amendment filed on February 28, 2005 has been located and matched with the file.

In view of the above stated reason, the Notice of Abandonment is hereby vacated and the holding of abandonment withdrawn. Any inconvenience caused petitioner is regretted.

The petition is **GRANTED**.

The application file is being forwarded to the Technology Center's technical support staff for entry of the February 28, 2005 response. From there, the file will be forwarded to the examiner for further action in due course.
